

External Media Consent 2025-2026

Consent for publicity through outside media outlets

Media (including radio, television, newspapers, and other print and online media) are sometimes permitted or invited to come to the school or to school activities and allowed to take photos or video or conduct interviews with students, for the purposes of promoting public understanding of school programs, building public support for public education and encouraging student achievement.

If you do not want your child to be involved in such activities, you need to:

- Tell your child to avoid these situations,
- Tell your child's teacher of your wishes,
- Complete and return this form to ask the school and school district to take reasonable steps to avoid this type of publication of your child's name, image, grade, or views by outside media.

Note that school and district staff cannot control news media access, photos/videos taken by the media or others in public locations (such as field trips or off school grounds) or school events open to the public, such as sports events, student performances, school board meetings, etc.

BY CHECKING THE BOX BELOW, I GIVE MY CONSENT for my child to participate in media interviews or to be photographed or video- taped by media for the purposes of promoting public understanding of school programs, building public support for public education and/or encouraging student achievement.

This consent may be withdrawn at any time in writing, but withdrawal of consent does not require the school or school district to take any steps to withdraw from publication any previously published material. Unless withdrawn, this consent is effective immediately and lasts until September 30 of the next school year.
